Dear Supervisors:

**ACCEPTANCE OF A GRANT AWARD FROM THE CALIFORNIA DEPARTMENT
OF ALCOHOL AND DRUG PROGRAMS FOR THE COMPREHENSIVE DRUG
COURT IMPLEMENTATION DEPENDENCY DRUG COURT GRANT**
(All Districts) (3 Votes)

IT IS RECOMMENDED THAT YOUR BOARD:

1. Authorize the Director of Public Health, or his designee, to accept a Notice of Grant Award (NGA) Number CDCI 06/07-19, Exhibit I, from the California Department of Alcohol and Drug Programs for the Comprehensive Drug Court Implementation Dependency Drug Court Grant (DDC), in the amount of \$1,401,899 for the award period of July 1, 2006 to June 30, 2007.
2. Delegate authority to the Director of Public Health, or his designee, to accept subsequent NGAs similar to Number CDCI 06/07-19 through Fiscal Year (FY) 2009-10, subject to review and approval by County Counsel, Chief Administrative Office, and notification of Board offices.
3. Authorize the Director of Public Health, or his designee, to execute future contracts with up to four agencies selected by the Superior Court, Alcohol and Drug Program Administration (ADPA), and Department of Children and Family Services for the provision of alcohol and drug non-residential outpatient services, residential services, and transitional housing / alcohol and drug free living centers through FY 2009-10 for Dependency Drug Courts in the County.

PURPOSE AND JUSTIFICATION OF RECOMMENDED ACTIONS:

Board approval of the recommended action will allow the Director of Public Health to accept a grant award from the State Department of Alcohol and Drug Programs (SDADP), in the amount of \$1,401,899, for the expansion of the DDC system. The expansion will include a Request for Proposals (RFP) to enable Public Health's ADPA to select at least four new DDC providers. These actions will fulfill the enhancement and planning requirements of the grant.

The Department of Public Health (DPH or Department) received notification of the grant award on January 26, 2007. However, it was not placed on the Board agenda in timely manner due to the lengthy approval process at the SDADP. The State required ADPA to revise its proposal to reflect the new grant award amount of \$1,401,899 and then to re-submit it for their approval. ADPA revised and re-submitted its proposal on March 13, 2007. The State's revised NGA was received on May 15, 2007.

FISCAL IMPACT/FINANCING:

The NGA is in the amount of \$1,401,899, for the budget period July 1, 2006 through June 30, 2007. However, SDADP's notification reflects a different grant period (January 1, 2007 through December 31, 2007) to allow planning for DDC expansion. ADPA has received verbal confirmation from Millicent Gomes, Deputy Director of SDADP's Criminal Justice Collaboration Division, that ADPA will be allowed to roll over the funds to Fiscal Year 2007-08.

The grant will be used for planning for program expansion through the RFP process for the provision of alcohol and drug non-residential outpatient services, residential services, and transitional housing/alcohol and drug free living centers.

FACTS AND PROVISIONS/LEGAL REQUIREMENTS:

During Fiscal Year 2005-06, the Los Angeles Superior Court received funding from the Administrative Office of the Courts to plan and implement a pilot Dependency Drug Treatment Court in one courtroom. The alcohol and drug treatment services were provided by the California Hispanic Commission on Alcohol and Drug Abuse, Inc. (CHCADA) through its own resources.

During Fiscal Year 2006-07, the Los Angeles Superior Court received funding from the Administrative Office of the Courts to enhance the outpatient and residential treatment services provided by the CHCADA, and to increase the number of participants in the pilot program. The agency's contracts were amended to help offset the costs for the additional services.

For Fiscal Year 2007-08, the Los Angeles Superior Court intends to apply for funding from the Administrative Office of the Courts for the Dependency Drug Court to fund outpatient and residential treatment services that will continue to be provided by California Hispanic

Commission on Alcohol and Drug Abuse, Inc. In order to support the Los Angeles Superior Court's efforts to provide funding for the DDC, on December 26, 2006, the Department of Public Health's ADPA submitted a proposal in response to the SDADP's Request for Applications for the Dependency Drug Court Grant. On January 26, 2007, the SDADP notified ADPA it was awarded \$1,401,899 to enhance the pilot program's (CHCADA) treatment services and increase the number of participants, and to plan and implement at least two new programs Countywide.

Subsequently the State required ADPA to revise its proposal to reflect the new grant award amount of \$1,401,899 and on March 13, 2007, DPH ADPA submitted its revised proposal per SDADP's request.

On May 15, 2007 the SDADP's revised NGA in the amount of \$1,401,899 was received.

CONTRACTING PROCESS:

ADPA will issue an RFP to select up to four new DDC providers. These actions will fulfill the enhancement and planning requirements of the grant.

IMPACT ON CURRENT SERVICES (OR PROJECTS):

The funds will be used to enhance and expand evidence-based alcohol and drug treatment and recovery outpatient and residential services in Los Angeles County.

When approved, this Department requires three signed copies of the Board's actions.

Respectfully submitted,

Jonathan E. Fielding, M.D., M.P.H.
Director and Health Officer
